

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

---

UNITED STATES OF AMERICA,

Plaintiff,

ORDER

v.

10-cr-109-wmc-01

LUKE MEDIS,

Defendant

---

Luke Medis raised no objections to the information contained in the presentence investigation dated November 2, 2010. As reflected in the plea agreement, the defendant agreed to pay restitution for all losses relating to the offense of conviction and all losses covered by the same course of conduct or common scheme or plan as the offense of conviction. At the time of the plea hearing, the parties agreed that the appropriate restitution figure based upon relevant conduct in this case was \$3,360.

The defendant Luke Medis was sentenced in this court on December 20, 2010. A restitution hearing was set for February 28, 2011, because victim information was incomplete at the time of the sentencing. At the request of defense counsel the hearing was continued. Based on information obtained in the investigative reports and victim impact statements, the probation office determined that total restitution is \$3,180, as reflected in the fourth addendum to the presentence report.

The defendant raised concerns regarding the identity of the victims and that he personally never passed counterfeit currency at the various businesses or banks. In particular, the defendant question whether there was double counting victim losses. The evidence of record makes this highly unlikely, nor can defendant note a single example where this occurred.

As an initial matter, the defendant agreed that he put the money into circulation. The case agents matched serial numbers of counterfeit currency printed and passed by Medis with police reports and currency actually recovered from the business and banks who ended up with the counterfeit currency. Finally, each victim had to submit a report to law enforcement, as well as the recovered counterfeit currency, seemingly eliminating any chance of double counting specific counterfeit currency for restitution purposes.

ORDER

IT IS ORDERED that the defendant pay \$3,180 in restitution to the victims as outlined in the attachment. This amount is due payable immediately to the Clerk of Court for the Western District of Wisconsin for disbursement to victims as outlined in the appendix of the fourth addendum to the presentence report.

The defendant does not have the economic resources to allow for payment of the full amount of restitution at this time. Nominal payments of a minimum of \$150 per month are to commence within 30 days of his release from custody pursuant to 18 U.S.C. § 3664(f)(3)(B).

No interest is to accrue on the unpaid portion of the restitution.

Entered this 14th day of March, 2011.

BY THE COURT,

William M. Conley  
District Judge
